To Whom It May Concern:

It is with great pleasure and enthusiasm that I am writing to endorse Patrice De Haven's nomination of the Small Business Award of Loudoun County. As the Business Development Director of Champion Title & Settlements, I have worked closely with many other vendors within Patrice's field. I consider Patrice to be one of the most delightful and responsible businesswomen I've had the pleasure to be associated with.

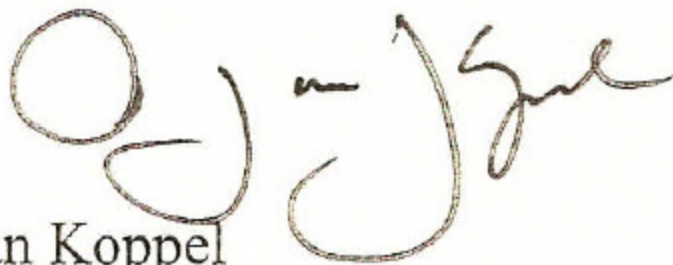

Patrice's business practice is always ethical and fair. On several occasions, she has gone above and beyond the expected call of service and has consistently provided products and results that continuously aim to please. We believe and owe a good portion of our success to Patrice. With the unique gift selections she offers and her world class service, we honestly feel that Patrice has played an instrumental role within our company's referral business.

With the new age of social media, Patrice has taken her business to new levels. She maintains a Facebook page which offers wonderful information about her company and products she provides. You can follow her on Twitter to find out the upcoming seasons trends and what's new. Her website alone has brought a new found glory to small businesses.

After four years time, I have come to know Patrice well and know there is no better candidate for your award than her.

If you would like do discuss my recommendation any further, please feel free to contact me directly at (703) 444-4100.

Sincerely,

Ryan Koppel
