Dear Loudoun County Awards Committee,

I am writing on behalf of Carried Away's Small Business Award nomination. One of the best business decisions you could make is to work with Patrice DeHaven at Carried Away. There are many aspect of Carried Away. At Comcast, we continually recognize and celebrate our employees. One of the ways we do this is our employee's birthdays. We were unhappy with what we were currently doing. Finding Patrice and Carried Away was the perfect answer and our employee's loved it. Utilizing Carried Away's Birthday Program proved to be a wonderful morale booster for our company. The whole program was seamless from the reminders to the shipping. She made US look good and she has always stayed in contact through e-mail or a phone call away to assist with any question we have had and taken the time to make any changes we asked of her.

I highly recommend Patrice at Carried Away.

Thank you
