WACHOVIA

Loudoun County Chamber of Commerce  
Small Business Award Committee

It is my pleasure to write a letter in support of Carried Away Gifts which is so smartly and professionally run by Patrice DeHaven.

She treats her customers, prospective customers, recipients with a delightful grace. She anticipates their every question and need. Her website and ideas are very creative. Her response is always quick- even if she's travelling.

I have seen the lovely baskets/boxes she's put together that have been delivered to our office, and I have ordered gifts from her on behalf of some executives in my office. She knows just what to put together.

Congratulations to you on nominating Patrice DeHaven for a Small Business Award.

Sincerely,  
Ruth Kramer, Executive Receptionist
